TAKING CARE OF THE EARTH IS EVERYBODY'S BUSINESS

* OTTER- a small animal that has four webbed feet (= with skin between the toes), a tail and thick brown fur. Otters live in rivers and eat fish.

* Greenpeace - an international environmental group, started in 1960 in Canada. The members protect the nature. «We want to live on a healthy, peaceful planet»

* It's all possible. We can't make it happen alone, but have no doubt: We can do it together.
